

## **Expedited or "Fast Track" Arbitrations**

In response to a demand, mainly emanating from people involved in construction industry disputes, The Institute of Arbitrators Australia has published Rules in respect of Expedited or "Fast Track" Arbitrations.

A copy of the Institute's—

Expedited Commercial  
Arbitration Rules  
and  
Notes To The  
Expedited Commercial  
Arbitration Rules  
(August 1988)

are enclosed as an insert in this issue of "The Arbitrator".  
Additional copies are freely available on request.

## **REPORTING CASES**

From time to time a matter in which an arbitrator has been involved may be subject to an action in the Courts.

Should such a member be so involved or become aware of such cases it would be appreciated if a copy of the judgement could be obtained and forwarded to the Institute's CAO.

Arrangements will then be made for a case note to be prepared and published in "The Arbitrator".

The co-operation of members in this matter would be very much appreciated.
