## HONORARY FELLOW

The Honourable Mr Justice Barry Stanley John O'Keefe AM Chief Judge Commercial Division, Supreme Court of New South Wales has been elected an Honorary Fellow of the Institute.

His Honour is very well known to many members of the Institute. His involvement in Institute matters dates from 1976 when he was elected a Foundation member at the time the Institute was founded. Since then he has participated in many Institute Courses and other educational programmes particularly in New South Wales and in 1992 delivered a paper "Arbitration – A Barrister's Perspective" at the Institute's Conference in Canberra.

## LIFE FELLOWS

Mr Ronald David Fitch AM Fellow and Mr Richard Butterworth Fellow have both been elected Life Fellows of the Institute in recognition of their long service to the Institute and in the cause of promoting arbitration as the preferred method of settling commercial disputes.

Richard Butterworth served on Council continuously since the Institute was founded in 1976 and Ronald Fitch, a Councillor since 1982, was President 1983-85. Both retired from Council earlier this year. In addition to serving on Council both were long serving members of the Victorian Chapter Committee.
