Do you need someone in Canberra who can supply answers?

Capital Monitor provides law librarians with information and document services tailored to their needs - policy statements, legislation, Hansards, speeches, publications and a highly experienced team to answer (or find out the answers to) those really tricky questions that partners ask

Capital Monitor covers all the levels of information that makes the national capital tick - Federal, Commonwealth State and ACT local government. Call Richard Griffiths on (06) 273 4899 to discuss your needs. Before you do that, perhaps you should talk to some of your colleagues and other special librarians to get their assessment of the value of our services and our responsiveness.

Capital Monitor aims to provide whatever service law librarians need from Canberra. **Let's talk**
