JULY ACLA LUNCHEON: BRIAN WHITE OF RADIO STATION 2UE TO SPEAK

This Bulletin is the Australian Communications Law Association's official journal. However, contributions from non-members alike are welcomed.

In April ACLA held a cocktail party to welcome the new chairman of the Australian Broadcasting Tribunal, Ms Dierdre O'Connor. This function was highly successful.

In June a luncheon was organised in the Menzies Hotel in Sydney at which Mr Ron Brown, the Executive Director of SBS television spoke about the aftermath of the Connor Report on the SBS.

Another luncheon is presently being organised for July, at which the speaker will be Mr Brian White, Managing Director of radio station 2UE, discussing radio networking. The venue will be the Menzies Hotel in Sydney. Inquiries should be addressed to Ros Gonczi on 660-1645. ACLA members will shortly receive notice of this luncheon.
