*Knowledge* by Zeita Davis

Knowledge passes from generation to generation. As it flows, it reaches individuals at different points in time in different ways. The path we are travelling on when the knowledge reaches us determines what we learn from it.

Zeita was born and raised in Inverell, New South Wales, and is from the Ait Koedal clan, Saibai Island, in the Torres Strait.

Cover Design and layout by Francisco Fisher.

Printing by Finesline Print and Copy Service.
