

# Items in the AIATSIIS Catalogue

The following list contains either new or recently amended catalogue records relevant to Native Title issues. Please check MURA, the AIATSIIS on-line catalogue, for more information on each entry. You will notice some items on MURA do not have a full citation because they are preliminary catalogue records.

The AIATSIIS Library now has copies of the Melbourne historical journal, issues beginning in 1961. Also, the Library holds duplicates of items from the Lambert McBride papers, the originals of which are in the State Library of Queensland.
