|                  |                                                                                                       |
|------------------|-------------------------------------------------------------------------------------------------------|
| Barclay, Sam     | The managerial prerogative                                                                            |
| Bernau, Richard  | The effects of the 1990 Companies Bill on the Law protecting the rights of minority shareholders      |
| Bodie, Michael   | Double jeopardy and issue estoppel                                                                    |
| Carter, Ross     | Spider in the web: Aspects of "the crown" in public law                                               |
| Clague, Gareth   | The Health and Safety in Employment Act 1992                                                          |
| Clarke, Timothy  | Constructive trust in commercial transactions                                                         |
| Cunningham, Lisa | The right of an innocent co-insured spouse to recover under a "joint" insurance policy                |
| Downs, Mathew    | Silence affirmed as golden: but what carat (or karat)?                                                |
| Edwards, Robert  | Receivables and third party priority conflicts                                                        |
| Fairfax, Andrew  | The New Zealand preventive detention regime and the impact of the Criminal Justice Amendment Act 1993 |
| Geddis, David    | Children as witnesses                                                                                 |
| Groot, John      | Defences to Woolwich                                                                                  |
| Hardy, Brigid    | The Privacy Act 1993                                                                                  |
| Hawe, Tracey     | The right of silence, rhetoric or reality?                                                            |
| Horne, Andrew    | Misleading conduct and the law of torts                                                               |
| Jones, Peter     | A future built from the ashes?                                                                        |
| Lane, Katherine  | Section 5 of the New Zealand Bill of Rights Act 1990                                                  |
| Leslie, Cameron  | The law on de-facto property – still in need of reform                                                |
| McIver, Jennifer | Self-determination, secession, and some indications from Yugoslavia                                   |
| Michael, William | The legitimacy of big corporations                                                                    |
| Murray, Ian      | The paradigm of protection                                                                            |
| Oakley, Vanessa  | Allegations of sexual abuse in custody cases                                                          |
| Patson, Jeremy   | <i>R v Kearley</i> and the rule against hearsay                                                       |
| Price, Cameron   | The "best practicable environmental option" philosophy applied to New Zealand's air quality policies  |
