

FUN

On 2 December, 1996, the Legal Fun R birthday! The event was proudly sponsored by LawPoint and City Club Health & Fitness.

In the early days, the event took place in the early days of the year. Today numbers are close to 1000. The event is organised by a committee of members, particularly John Smith, who has been involved in the event for many years.

This year the event was staged by Supriya, who is a former student of the University of Sydney. She was joined by other staff members from legal firms and a warm-up session by the City Club Health & Fitness. The event took place on the laps of the Tan Track at the Botanical Gardens.

For several years now the guest starter has been a former chairman of the council of the University of Sydney, His Honour set a record with a time of 1:00:00.

A Barbeque and beverages were provided by the University Boat Shed, where presentations were made to the winners.

The Young Lawyers' Section thanks John for his ongoing support this year. Congratulations to Newman, Elliot Papegiorgiou, Richard Heather Hibberd of the Young Lawyer Marica Peraic. Special thanks to Darrell for his efforts.

The Mahlab Recruitment girls were in hot pursuit of several excellent young lawyers around the track. Michelle Murphy, winner of the Over 30's section of the Walk, is second from the right.

The event had an excellent turn out and great sponsorship.

The winners in their categories were
