A BILL

FOR

An Act to make interim provision for the appropriation of money out of the Consolidated Revenue Fund for certain expenditure in respect of the year ending on 30 June 1989, and for other purposes

BE IT ENACTED by the Queen, and the Senate and the House of Representatives of the Commonwealth of Australia, as follows:

Short title

1. This Act may be cited as the *Supply Act (No. 2) 1988-89*.

Commencement

2. This Act commences on the day on which it receives the Royal Assent.

Issue, application and appropriation of \$2,063,825,000

3. (1) The Minister for Finance may issue out of the Consolidated Revenue Fund and apply for the services specified in Schedule 2 in respect of the financial year ending 30 June 1989 the sum of \$2,063,825,000.

(2) Except where the contrary intention appears in Schedule 2, amounts issued by the Minister for Finance under subsection (1) in respect of services described in Schedule 2 as Capital Works and Services may be applied only for purposes of a kind for which money appropriated in respect of services

so described in an Act appropriating money, otherwise than by way of interim provision, for expenditure in respect of the financial year ending on 30 June 1988 could lawfully have been applied.

(3) Except where the contrary intention appears in Schedule 2, amounts issued by the Minister for Finance under subsection (1) in respect of payments to or for the States and the Northern Territory may be applied only in making payments to or for the States and the Northern Territory of a kind that could lawfully have been made out of money appropriated for payments to or for the States and the Northern Territory in an Act appropriating money, otherwise than by way of interim provision, for expenditure in respect of the financial year ending on 30 June 1988.

(4) The Consolidated Revenue Fund is appropriated to the extent necessary for the purposes of subsection (1).

Payments to States and Northern Territory, etc.

4. (1) In this section:

“Appropriation Act” means an Act appropriating money for expenditure in respect of a financial year and includes an Act appropriating money, by way of interim provision, for such expenditure;

“person” includes:

- (a) a State;
- (b) a Territory;
- (c) a local government body;
- (d) a body corporate; and
- (e) an organisation.

(2) Payments out of such money appropriated by this Act as is specified in the Division, or unit of a Division, in Schedule 2 specified in column 2 in an item in Schedule 1 made to a State or a Territory for that State or Territory, or for any other person, for a purpose specified in column 3 in that item shall be made:

- (a) on such terms and conditions (if any) as are from time to time determined, by instrument in writing, for the purposes of Appropriation Acts by the Minister specified in column 4 in that item as being terms and conditions applicable to payments under such Acts to a State or a Territory for that State or Territory, or any other person for that purpose; and
- (b) in accordance with any determinations, by instrument in writing, of the Minister specified in column 5 in that item as to the amounts and times of payments.

(3) Payments to a State or the Northern Territory out of such of the money appropriated by this Act as is specified in Division 977 in Schedule 2 shall be made in accordance with any determinations of the Treasurer as to the amounts and times of payments.

Money appropriated for a program

5. Where money is appropriated by this Act for a particular program, that money shall be taken to be appropriated for:

- (a) the purpose of payments (including advances) under Acts administered as part of the program; and
- (b) other purposes of the program, being purposes for which appropriation has been made in an earlier Act.

Australian Capital Territory Trust Account

6. (1) Subject to subsection (3), where:

- (a) an amount of money is paid to the Commonwealth:
 - (i) under the authority of an Act or of an Ordinance made under the *Seat of Government (Administration) Act 1910*; or
 - (ii) under an agreement entered into or an understanding reached by the Commonwealth or by an authority of the Commonwealth established under an Act or under an Ordinance referred to in paragraph (a); and
- (b) the amount so paid is paid for a purpose connected with the performance of a territorial or municipal function of the Australian Capital Territory and not a national function;

the amount so paid shall be taken, for the purpose of any item in the Schedule, to be an Australian Capital Territory receipt.

(2) Where an amount of money standing to the credit of the Australian Capital Territory Trust Account is applied, in accordance with the purposes of that trust account, in the provision of services to the Commonwealth, or to an instrumentality or authority of the Commonwealth, then whether or not that amount is applied in the performance of a territorial or municipal function of the Australian Capital Territory, any amount of money paid to the Commonwealth for the provision of those services shall be taken, for the purposes of any item in the Schedule, to be an Australian Capital Territory receipt.

- (3) Where an amount of money is paid to the Commonwealth:
 - (a) for crediting to a trust account established under section 62A of the *Audit Act 1901*, not being the Australian Capital Territory Trust Account; or
 - (b) in relation to functions administered by the Attorney-General under administrative arrangements ordered by the Government or under the *Seat of Government (Administration) Act 1910*;

then whether or not that amount is paid to the Commonwealth, for a purpose connected with the performance of a territorial or municipal function of the Australian Capital Territory, that amount shall not be taken, for the purpose of any item in the Schedule, to be an Australian Capital Territory receipt.

(4) Money appropriated under this Act or under the *Audit Act 1901* for payment to the Australian Capital Territory Trust Account shall be

applied only for the purposes of the Australian Capital Territory Trust Account but nothing in this Act or in the *Audit Act 1901* shall be taken to imply:

- (a) that the purposes of the Australian Capital Territory Trust Account shall not include the payment, from time to time, of money to another trust account established under section 62A of the *Audit Act 1901* for purposes connected with the performance of a territorial or municipal function of the Australian Capital Territory; or
- (b) that that other trust account shall not receive money from the Australian Capital Territory Trust Account.

(5) For the purposes for determining whether a particular function is a territorial or municipal function of the Australian Capital Territory or a national function, regard shall be had:

- (a) unless paragraph (b) applies—to the criteria established for that purpose in Appendix B to the Report of the Commonwealth Grants Commission entitled “Second Report 1986 on Financing the Australian Capital Territory”; or
- (b) if the criteria referred to in paragraph (a) have been varied by the Minister for the Arts, Sport, the Environment, Tourism and Territories under subsection (6)—to the criteria as so varied.

(6) Where the Minister for the Arts, Sport, the Environment, Tourism and Territories is satisfied that the criteria referred to in paragraph (5) (a) (including those criteria as varied in accordance with a previous application of this subsection) need to be varied, the Minister may, by notice in writing, vary those criteria in a manner set out in the notice and, where the Minister does so:

- (a) the Minister shall cause a copy of the notice effecting the variation to be laid before each House of the Parliament, within 15 sitting days of that House after the day on which it is signed by the Minister; and
- (b) the criteria shall have effect, and shall be deemed at all times to have had effect, as if they had originally been established as so varied.
