15. After section 78A:

Insert:

Grants for projects in connection with non-government special schools to assist students with disabilities to make the transition from special education to mainstream school education, further education, employment or the responsibilities of adult life

“78B.(1) The Minister may make a determination approving a project for expenditure in a program year if:

- (a) the project is being, or is to be, carried out at or in connection with a non-government special school in a State with the objective of assisting students with disabilities to make the transition from special education to mainstream school education, further education, employment or the responsibilities of adult life; and
- (b) the Minister is satisfied that:
 - (i) the project is of national importance; and
 - (ii) it is desirable to provide financial assistance under this section in connection with the project.

“(2) The Minister may make a determination authorising the payment to a State for a program year of an amount by way of financial assistance to the State for expenditure on the approved project.

“(3) The total of the amounts paid to the States for a program year must not be greater than the amount set out opposite to that year in column 11 of the Part of Schedule 6 that relates to that year.

“(4) Financial assistance is granted to a State under this section for expenditure on an approved project for a program year on the following conditions:

SCHEDULE 1—continued

- (a) that, subject to paragraph (b), the State will, as soon as practicable, pay to the approved authority of the non-government special school an amount equal to each amount paid to the State under this section for the project;
- (b) that, when making a payment, the State will describe the amount paid as a payment out of money paid to the State by the Commonwealth under this section;
- (c) the additional conditions applicable under section 83.”.

16. Subsection 79(1) (sub-subparagraph (c)(ii)(B) of the definition of *eligible year 11 or 12 mathematics or physics student*):

Omit “; and”, substitute “.”.

17. Subsection 79(1) (paragraph (d) of the definition of *eligible year 11 or 12 mathematics or physics student*):

Omit the paragraph.
