No. VIII.

An Act to make better provision for the Col-WHARFAGE AND lection of Wharfage and Tonnage Rates. — [12th July, 1880.]

WHEREAS it is expedient to amend the Law regulating the Preamble. imposition and collection of Wharfage and Tonnage Rates and to embody the same in one Statute Be it therefore enacted by the Queen's Most Excellent Majesty by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled and by the authority of the same as follows :---

1. This Act shall come into force on the first day of July in the Commencement year one thousand eight hundred and eighty and may be cited for all short title and interpurposes as the "Wharfage and Tonnage Rates Act of 1880" In its construction the expression "Public Wharf" means the Circular Quay and the Queen's Wharf at the Port of Sydney and any wharf within the Colony appointed to be a public or legal wharf under any Act in force for the time being regulating the Customs—the expression "Private Sufferance Wharf" means any wharf for which a sufferance has been or shall hereafter he granted in pursuance of any such Act as aforesaid for the landing of goods subject to the payment of Customs duties—and the word "Wharfinger" means the owner or lessee of a private sufferance wharf or the agent of either.

2. From and after the commencement of this Act the Acts and Repeal of Acts. portions of Acts specified in the First Schedule hereto shall be repealed but such repeal shall not prejudice or affect any rates collected or anything lawfully done or commenced under the authority of the said Acts or any of them.

3. Upon the landing on any public or private sufferance wharf Inward Wharfage in New South Wales of any goods merchandise packages or articles Rates to be levied. enumerated or mentioned in the Second Schedule hereto it shall be lawful to levy rates to be termed "Inward Wharfage Rates" not exceeding the respective rates prescribed in the Tariff and Scales of Charges contained in the said Schedule Provided that all goods Proviso. arriving from any of the Australasian Colonies or New Zealand or any of the Pacific Islands landed on any public wharf and entered at the Custom House for transhipment shall be exempt from any wharfage rates chargeable under this Act.

4. It shall be lawful to levy wharfage rates in respect of any good merchandise packages or articles laden whether into vessels lighters or boats from any such public or private sufferance wharf as aforesaid to be termed "Outward Wharfage Rates" not to exceed onehalf of the respective rates and to be levied and computed in accordance with the scales specified in the Second Schedule hereto.

5. Every vessel under two hundred and forty tons registered tonnage and every lighter requiring a berth for loading only shall pay for each day or portion of a day during which she shall occupy a berth at any such public or private sufferance wharf a wharfage rate of ten shillings.

6. It shall be lawful to levy a rate of one farthing per ton per diem on all vessels fully laden discharging their inward cargoes at any such public or private sufferance wharf and a rate of one halfpenny per ton per diem on all other vessels partly laden during the time which such vessels shall occupy a berth at any such wharf but such rate shall not be leviable until after the expiration of the respective periods specified in the Third Schedule hereto Provided always that in the case of any vessel partly laden or which shall have discharged only a portion of her inward cargo at any such wharf such vessel shall be entitled to claim "free lay days" according to the quantity of cargo discharged which shall be considered to be the proportion which the amount of such cargo bears to the tonnage of the vessel when fully laden.

7. Any vessel of two hundred and forty tons registered tonnage or upwards requiring a berth for loading only shall pay a rate not exceeding one halfpenny per ton per day from the date of occupying a berth at any such public or private sufferance wharf and after the expiration of twenty-five days from such date shall pay half that rate for each day during which she occupies such berth.

8. No clearance shall be granted for any vessel liable to the payment of tonnage rates at any public wharf within the meaning of this Act unless a receipt for the payment of such rates signed by the proper officer or person shall be presented to the Collector or other proper officer of Customs.

9. It shall be lawful for the master of any vessel which shall occupy a berth at any such public or private sufferance wharf for the purpose of discharging inward cargo to deliver to the consignee importer or his agent any goods so to be discharged without molestation or interference by the collector or wharfinger or by any person whomsoever and without any charge other than the respective rates authorized by this Act And for the purpose of giving effect to the intention of this enactment all importers and consignees their agents and servants being duly authorized shall during Custom-house hours for the discharge of such vessel have free access to and from the ship's side whilst so discharging for the purpose of taking delivery of any such goods.

10. If any goods shall be landed on any such public or private sufferance wharf and shall not be removed therefrom before the expiration of forty-eight hours thereafter the Collector at any public wharf or the Wharfinger at any private sufferance wharf whereon such goods may then be may remove and store the said goods in the Queen's or any bonded or free wharehouse at the risk and cost of the consignee or importer thereof subject to any lien by the owner master or agent of the vessel for freight or charges which may be payable on such goods.

11. In estimating the registered tonnage of any vessel for the purposes of this Act the same shall be determined in pursuance of the provisions of the Imperial Merchant Shipping Act being the Act passed in the seventeenth and eighteenth years of Her present Majesty's reign chapter one hundred and four And in the case of steam vessels the gross tonnage measurement shall be deemed to be the tonnage of such vessels for the purposes of ascertaining the tonnage rates leviable under this Act. 12.
