Electricity Supply (General) Amendment Regulation 2019

under the

Electricity Supply Act 1995

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Electricity Supply Act 1995*.

MATT KEAN, MP
Minister for Energy and Environment

Explanatory note

The objects of this Regulation are:

- (a) to extend the obligation on metering providers to have a safety management system in place before installing a meter for a further 24 months, ending on 1 June 2021, and
- (b) to extend the prohibition against the remote de-energisation and re-energisation of a small customer's premises using a digital meter for a further 12 months, ending on 1 June 2020.

This Regulation is made under the *Electricity Supply Act 1995*, including section 191 (the general regulation-making power) and clauses 1 and 74 of Schedule 6 (which enable savings and transitional regulations to be made consequent on the enactment of the *Electricity Supply Amendment (Advanced Meters) Act 2016*).
