**THREATENED SPECIES CONSERVATION ACT 1995 No 101**

**Notice of Final Determination and Amendment of Schedule 1 to Act**

The Scientific Committee constituted under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of animal in Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

**Amphibians**

*Hylidae*

*Litoria booroolongensis* (Moore, 1961) Booroolong Frog

The final determination to insert this species in Schedule 1 has been made because the Scientific Committee is of the opinion that this species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
HURSTVILLE NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 3rd day of March 1998

Dr Chris Dickman  
Chairperson  
Scientific Committee
