

New South Wales

THREATENED SPECIES CONSERVATION ACT 1995 No 101

**Notice of Final Determination and Amendment of Schedule 1 to Act**

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following species of plant in Part 1 of Schedule 1 to that Act (Endangered species) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

**Plants**

Cyperaceae

*Eleocharis tetraquetra* Nees

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
Hurstville NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 29th day of June 1999.

Associate Professor Paul Adam  
Deputy Chairperson  
Scientific Committee

**1999 No 347**

Threatened Species Conservation Act 1995 No 101—Final Determination

---

**Annexure “A”**

**Schedule 1** to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 1 in alphabetical order under the heading “Plants” and the sub-heading “Cyperaceae” the matter:

*Eleocharis tetraquetra* Nees

BY AUTHORITY
