

New South Wales

Threatened Species Conservation Act 1995 No 101

Notice of Final Determination and Amendment of Schedules 1 and 2 to Act

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination:

- (a) to insert the following species of plant in Part 1 of Schedule 1 to that Act (Endangered Species), and
- (b) as a consequence, to omit reference to that species of plant from Schedule 2 to that Act (Vulnerable Species),

and, accordingly, those Schedules are amended as set out in Annexure "A" to this Notice:

Plants

Chenopodiaceae

Sclerolaena napiformis Paul G. Wilson

This species is currently listed as *Sclerolaena napiformis* in Part 1 of Schedule 1 to the *Endangered Species Protection Act 1992* of the Commonwealth, and, consequently, under section 6 of the *Threatened Species Conservation Act 1995*, should be inserted in Schedule 1 to that Act with an asterisk.

The final determination to insert this species in Part 1 of Schedule 1 has been made because the Scientific Committee is of the opinion that the species is likely to become extinct in nature in New South Wales unless the circumstances and factors threatening its survival or evolutionary development cease to operate.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)
National Parks & Wildlife Service
43 Bridge Street
Hurstville NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

1999 No 413

Threatened Species Conservation Act 1995 No 101—Final Determination

Signed and sealed at Sydney, this 9th day of July 1999.

Dr Chris Dickman
Chairperson
Scientific Committee

Annexure “A”

Schedule 1 to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 1 in alphabetical order under the heading “Plants” and the sub-heading “Chenopodiaceae” the matter:

**Sclerolaena napiformis* Paul G. Wilson

Schedule 2 to the *Threatened Species Conservation Act 1995* is amended by omitting the following matter under the heading “Plants” and the sub-heading “Chenopodiaceae”:

Sclerolaena napiformis Paul G. Wilson

BY AUTHORITY
