(2) Repayment by the State shall, unless otherwise approved by the National Debt Commission, be by equal annual instalments extending over the period of the loan raised to effect the conversion or partial conversion. For the purpose of calculating the amount of the annual instalments any broken portion of a year shall be disregarded.

(3) Where, by the terms of the loan raised to effect the conversion or partial conversion, the borrower has an option as to the date

upon which the borrower shall be entitled to redeem the loan, the period of the loan shall, for the purposes of this subclause, be deemed to be the period terminating upon the earliest date of redemption provided for by the terms of the loan.

(4) All repayment instalments payable to the National Debt Commission in pursuance of this subclause shall be payable at such times as shall be fixed by the National Debt Commission, and shall be applied as if they were sinking fund contributions made by the State under this clause, provided that the State shall not be required to make any further sinking fund contribution under subclause (g) of this clause upon the cancellation of any security to the repurchase or redemption of which any repayment instalment has been applied.

FUTURE BORROWINGS OF COMMONWEALTH AND STATES.

4. (1) Except in cases where the Loan Council has decided under subclause (2) of this clause that moneys shall be borrowed by a State, the Commonwealth, while Part III. of this Agreement is in force, shall, subject to the decisions of the Loan Council and subject also to Clauses 5 and 6 of this Agreement, arrange for all borrowings for or on behalf of the Commonwealth or any State, and for all conversions, renewals, redemptions, and consolidations of the Public Debts of the Commonwealth and of the States.

(2) If at any time the Loan Council by unanimous decision so decides, a State may in accordance with the terms of the decision borrow moneys outside Australia in the name of the State, and issue securities for the moneys so borrowed. For all the purposes of this Agreement, including the making of sinking fund contributions, the

moneys so borrowed shall be deemed to be moneys borrowed by the Commonwealth for and on behalf of that State.

(3) If any State after the 30th June, 1927, and before this Agreement has been approved by the Parliaments of the Commonwealth and of the States, has borrowed moneys in the name of the State and issued securities for the moneys so borrowed, such moneys shall for all the purposes of this Agreement, including the making of sinking fund contributions, be deemed to be moneys borrowed by the Commonwealth for and on behalf of that State.

(b) use any public moneys of the State which are available under the laws of the State.

(2) Any securities that are issued for moneys so borrowed or used shall be Commonwealth securities, to be provided by the Commonwealth upon terms approved by the Loan Council.

(3) Where any such borrowing or use is solely for temporary purposes, the provisions of this Agreement, other than this clause, shall not apply.

(4) Where any such borrowing or use is not solely for temporary purposes, and Commonwealth securities are issued in respect thereof, the moneys borrowed or used shall be deemed to be moneys borrowed by the Commonwealth for and on behalf of the State, and may be retained by the State. the same rate and for the same period and upon the same amount as if such debt had not been converted, renewed, or redeemed.

(5) Subject to subclauses (8), (10) and (11) of this clause a sinking fund at the rate of 10s. per annum for each £100 of the amount of each new loan raised by a State or by the Commonwealth for and on behalf of a State after 30th June, 1927, shall be established.

(6) Subject to subclauses (8), (10) and (11) of this clause, in each year during the period of fifty-three years from the date of the raising after 30th June, 1927, of any new loan by a State or by the Commonwealth for and on behalf of a State the Commonwealth and that State shall each pay from revenue a sinking fund contribution of a sum equal to 5s. for each £100 of the amount of the new loan.

Provided that the period of fifty-three years during which the State of New South Wales shall make sinking fund contributions in respect of new loans raised in the financial year beginning on the 1st July, 1927, shall commence on the 1st July, 1928.

(7) For the purpose of the last two preceding subclauses a loan issued after the 30th June, 1927, to meet a revenue deficit which accrued on or before that date shall be deemed to be a new loan, but a loan issued for the conversion, renewal or redemption of a debt shall not be deemed to be a new loan, and where a loan is issued partly for the conversion, renewal, or redemption of a debt and partly for other purposes so much only of the loan as has been issued for other purposes shall be deemed to be a new loan.

(8) Where it is agreed between the Commonwealth and a State that a loan or any portion of a loan raised after 30th June, 1927, and expended or to be expended upon wasting assets should be redeemed within a shorter period than fifty-three years, the annual sinking fund contributions of the State in respect of that loan or the portion thereof shall be increased to an amount which with the sinking fund contributions of the Commonwealth in respect of that loan or the portion thereof will provide for the redemption of that loan or the portion thereof within such shorter period. All sinking fund contributions of the State in respect of that loan or the portion thereof shall cease on the expiration of the shorter period, but the Commonwealth contributions in respect of that loan shall continue for the remainder of the period of fifty-three years from the date of the raising of that loan, and during such remainder of the period the State contributions to the sinking fund in respect of other loans of that State shall be reduced by the amount of the Common-

wealth contributions during that remainder of the period in respect of such redeemed loan or the portion thereof. For the purposes of this subclause the sinking fund contributions of the Commonwealth and the State shall be deemed to accumulate at the rate of $4\frac{1}{2}$ per centum per annum compounded.

(9) Where loan moneys have been advanced by a State under terms providing for the repayment of such moneys the State shall as and when such moneys are repaid pay such moneys either to the State Loan Fund or to the account or fund from which such moneys were advanced, or to the sinking fund and shall in addition make from revenue its sinking fund contributions in respect of the loan or loans from which the moneys so advanced were provided. Provided that when loan moneys have been advanced by a State to a Public or Local Authority or body constituted by the State or under the laws of the State and the Authority or body repays such moneys out of its revenue the State may out of moneys so repaid make its sinking fund contributions in respect of the loan moneys so advanced.

(10) In respect of any loan (except any of the loans referred to in subclause (11) of this clause) raised after the 30th June, 1927, by a State or by the Commonwealth for and on behalf of a State to meet a revenue deficit accruing after that date no sinking fund contribution shall be payable by the Commonwealth, but that State shall for a period sufficient to provide for the redemption of that loan pay from revenue in each year during such period a sinking fund contribution at the rate of not less than 4 per centum per annum of the amount of that loan. For the purposes of this subclause the sinking fund contributions of the State shall be deemed to accumulate at the rate of $4\frac{1}{2}$ per centum per annum compounded.

The sum which is to be taken as the amount of the special deficit loans of a State as set out in this paragraph opposite the name of that State represents the gross total of the special deficit loans of that State as on 1st July, 1944, less:—

Effective from 1st July, 1944—Agreement of 15th November, 1944, clause 6 (4).

(12) All sinking fund contributions to be made in pursuance of this Part of this Agreement shall be debts payable to the National Debt Commission as follows:—

(13) Subject to the next succeeding subclause all moneys and securities standing to the credit of sinking funds, redemption funds and funds of a like nature of a State existing on 30th June, 1929, shall forthwith be transferred

by the States to the National Debt Commission. Nothing in this subclause contained shall be deemed to limit the power of a State to cancel before 30th June, 1929, any such securities.

(14) Where the conditions relating to sinking funds, redemption funds, and funds of a like nature as aforesaid held by a State on trust or by trustees under statutory or contractual obligations preclude the transfer of those funds to the National Debt Commission, such funds shall remain under the control of the State or those trustees, and the National Debt Commission will either directly or through the State concerned make all future payments to the State or to those trustees from the sinking fund.

(15) The sinking funds to be established under this Agreement shall be controlled by the National Debt Commission. The National Debt Commission may arrange with any State to act as its agent in connexion with payments due to bondholders.

(b) In addition to the sinking fund contributions otherwise payable in respect of that debt or loan the State concerned shall—

- (i.) as from the date of cancellation of each security and for the full period during which the said sinking fund contributions are payable make from revenue a further sinking fund contribution at the rate of $4\frac{1}{2}$ per centum per annum of the face value of the cancelled security; and
- (ii.) also pay to the National Debt Commission interest on the face value of each repurchased security at the rate provided by the security from the last date preceding the repurchase upon which interest was payable under the terms of the security up to the date of cancellation of the security.

The provisions of subclause (18) of this clause shall apply with respect to any security so repurchased or redeemed (including any security repurchased or redeemed in accordance with paragraph (b) of this subclause) provided that the State shall not be required to make any further sinking fund contribution under subclause (18) of this clause upon the cancellation of the security.

(b) Repayment by the State shall, unless otherwise approved by the National Debt Commission, be by equal annual instalments extending over the period of the loan raised to effect the conversion or partial conversion. (d) The provisions of Clauses (11) and (12) of this Agreement shall not apply to the said amount of £10,924,323.

PART IV.—MISCELLANEOUS.

- (c) Stamp duties on transfer of securities;

- (d) Commission on payment of interest;
- (e) Expenses incurred in the conversion, renewal, redemption or consolidation of loans;
- (f) Exchange on transference of moneys.

(2) Unless it is otherwise agreed between the Commonwealth and a State, the Commonwealth will not do anything in connection with a loan of that State existing on the 30th June, 1927, or raised thereafter pursuant to this Agreement, which, if done by that State, would be a breach of any now existing agreement by that State with any Bank.

(3) A certificate by the Auditor-General of the Commonwealth stating the amount to be repaid by a State to the Commonwealth and the matter in respect of which the repayment is to be made shall, in the event of a dispute, be conclusive as to the amount and matter stated.

ALTERATION OF THE CONSTITUTION.*

15. The Commonwealth will take the necessary action to submit to the Parliament of the Commonwealth and to the electors proposals for the alteration of the Constitution of the Commonwealth in the following form:—

The law embodying the proposals became operative on 13th February, 1929 (Constitution Alteration (State Debts), No. 1 of 1929).

(2) The Parliament may make laws for validating any such agreement made before the commencement of this section.

(3) The Parliament may make laws for the carrying out by the parties thereto of any such agreement.

(4) Any such agreement may be varied or rescinded by the parties thereto.

(5) Every such agreement and any such variation thereof shall be binding upon the Commonwealth and the States parties thereto, notwithstanding anything contained in this Constitution or the constitution of the several States or in any law of the Parliament of the Commonwealth or of any State.

(6) The powers conferred by this section shall not be construed as being limited in any way by the provisions of section 105 of this Constitution."

INDEMNITY.

16. Each State agrees with the Commonwealth that it will by the faithful performance of its obligations under this Agreement indemnify the Commonwealth against all liabilities whatsoever in respect of the public debt of that State taken over by the Commonwealth as aforesaid (other than the liabilities of the Commonwealth under this Agreement to pay interest and to make sinking fund contributions and under Clause 13 of this Agreement), and in respect of all loans of that State in respect of which this Agreement provides that sinking fund contributions shall be made.

ACCOUNTS.

17. Separate accounts shall be kept by the Commonwealth for each State in respect of Debt, Interest, and Sinking Funds.

In the name and on behalf of His Majesty, I hereby assent to this Bill.

J. M. NAPIER, Lieutenant-Governor.
