No. 219.

An Act to authorise the Transfer of certain Loan Moneys.

[Assented to, November 18th, 1881.]

**W**HEREAS the moneys borrowed for public purposes under the authority of Acts of Parliament have been on various occasions in excess of the amounts required for the purposes authorised by the said Acts: And whereas other moneys borrowed under the authority of other Acts of Parliament will not, in consequence of the bonds issued thereunder having brought a higher price than was anticipated, be wholly required for the purposes authorised by such Acts: And whereas it is desirable to appropriate certain sums so borrowed, which remain unexpended, or unlikely to be required, to purposes other than those for which they were borrowed—Be it therefore Enacted by the Governor of the Province of South Australia, with the advice and consent of the Legislative Council and House of Assembly of the said province, in this present Parliament assembled, as follows:

Preamble.
