An Act to amend "The Seed Wheat Act, 1896."

[*Assented to, December 11th, 1897.*]

BE it Enacted by the Governor, with the advice and consent of the Parliament of South Australia, as follows :

1. This Act may be cited as "The Seed Wheat Amendment Act, 1897," and shall be incorporated with "The Seed Wheat Act, 1896," hereinafter referred to as the principal Act. Short title.

2. Seed wheat may be supplied to farmers for sowing during the year one thousand eight hundred and ninety-eight, and all the provisions of the principal Act shall apply as if such seed wheat had been supplied for sowing during the year one thousand eight hundred and ninety-seven, except that the seed shall be sown during the year one thousand eight hundred and ninety-eight; and the dates for computation of interest and payment of principal and interest shall be one year later than the dates mentioned in the principal Act. Seed may be supplied for 1898.

3. Any District Council, in any case in which the District Council shall be satisfied that the failure of the crop for the year one thousand eight hundred and ninety-seven renders an extension of time desirable, may grant an extension, not exceeding one year, for the payment of any money payable in respect of seed supplied for sowing during the year one thousand eight hundred and ninety-seven; and all such money, with the interest for both years, shall be a charge on the farm and all crops grown thereon, and shall be recoverable as mentioned in the principal Act. Extensions.

4. Any

Any person receiving seed wheat for sowing pursuant to this Act and omitting before the thirty-first day of July next to sow it on the farm intended or to return it to the District Council, shall be liable, on summary conviction, to imprisonment, with or without hard labor, for any term not exceeding one year.

In the name and on behalf of Her Majesty, I hereby assent to
