## No. 1641.

An Act to amend the Width of Tires Act, 1923.

[Assented to, December 24th, 1924.]

**B**E it Enacted by the Governor of the State of South Australia, with the advice and consent of the Parliament thereof, as follows :

1. (1) This Act may be cited as the "Width of Tires Act Amendment Act, 1924." Short titles.

(2) The Width of Tires Act, 1923 (which is hereinafter referred to as "the principal Act"), and this Act may be cited together as the "Width of Tires Acts, 1923 and 1924." No. 1580 of 1923.

2. Section 8 of the principal Act is amended by striking out the words "not within a local government area" in the first and second lines of subsection (2) thereof, and by striking out the words "such part of the State" at the end of the said subsection, and inserting in lieu thereof "part of the State not within a local government area". Amendment of principal Act, s. 8—Weighing machines.

3. Paragraph 1 of the Schedule to the principal Act is amended by adding at the end thereof the following proviso :— Amendment of principal Act—Schedule.  
"Provided that the maximum weight which may be carried on any vehicle having metal tires and carrying a load any part of which exceeds ten feet in height from the level of the roadway or ten feet in width shall be calculated at the rate of seven hundredweights for each inch of the total width of the tires of any wheels fitted to such vehicle. This proviso shall not apply to any part of the State outside a radius of fifty miles from the General Post Office." Rules for calculating maximum weights of loads.

In the name and on behalf of His Majesty, I hereby assent to this Bill.

TOM BRIDGES, Governor.
