AN ACT to encourage the Manufacture of Wood-pulp and Paper in Tasmania and to authorise the granting of certain Rights and Concessions to Amalgamated Zinc (De Bavay's) Limited and its Assigns for that purpose. A.D. 1924.
[2 December, 1924.]

WHEREAS Amalgamated Zinc (De Bavay's) Limited (a Company registered, and having its head office, in the State of Victoria) proposes to form a company having as one of its objects the erection of a factory and works upon the lands described in Schedule (1) to this Act, for the manufacture of wood-pulp and paper : PREAMBLE.

And whereas it is desirable to authorise the granting to the said Company of the rights and concessions hereinafter mentioned, upon and subject to the conditions hereinafter contained :

Wood-pulp and Paper Industry.

A.D. 1924.

Be it therefore enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows :—

Short title and commencement.

1—(1) This Act may be cited as “The Wood-pulp and Paper Industry Encouragement Act, 1924.”

(2) This Act shall come into operation on a date to be fixed by proclamation.

(3) Such proclamation shall be issued when the Minister is satisfied that a company, having an available capital of not less than Five hundred thousand Pounds, has been formed and is in a position to establish and carry on the manufacture of wood-pulp and paper, or either of them, on the lands mentioned in Schedule (1) hereto.

Administration of Act.

2 Until the Governor shall otherwise direct, this Act shall be administered by the Minister administering the State Hydro-Electric Department.

Interpretation.

3 In this Act, unless a contrary intention appears—

“Crown Land” means any land of the Crown situated within fifteen miles on each side of the route of the railway from Burnie to Zeehan, known as the Emu Bay Railway, and not being less than ten miles north of the town of Zeehan, except—

- i. Lands held under contract of sale from the Crown :
- ii. Lands subject to any lease or licence for mining purposes, or held under any miner’s right, consolidated miner’s right, or prospector’s licence :
- iii. Lands held or occupied under occupation licence, residence licence, or business licence :
- iv. Lands for the time being occupied, set apart, reserved, or dedicated for any of the public purposes specified in Section Eleven of “The Crown Lands Act, 1911” : or
- v. Lands occupied or held under forest lease or forest permit under “The Forestry Act, 1920” :

2 Geo. V. No. 64.

11 Geo. V.
No. 60.

“Road” means any road, street, or highroad, or any reservation therefor :

“The Company” means Amalgamated Zinc (De Bavay’s) Limited and its assigns or approved nominees :

“The Industry” means the manufacture of wood-pulp, paper-pulp, and paper, or any of them, and the supply and preparation of materials therefor, and the carrying on of processes and businesses incidental to such manufacture, and the carrying on of any manufacture cognate or incidental or subsidiary to such manufacture :

“Wood-pulp Timber” means any timber or trees of all species having a girth not exceeding six feet at a height of three feet from the ground,

Wood-pulp and Paper Industry.

4—(1) The Minister for Mines may grant to the Company under and subject to the provisions of “The Mining Act, 1917,” such water rights and dam sites as the Company may require for the purposes of the industry. A.D. 1924.
Water rights.
7 Geo. V. No. 62.

(2) No such water right shall be granted in respect of any river or stream except the Emu, Cam, and Blythe Rivers, or any tributary thereof, or some stream approved by the Minister.

(3) For the purposes of this section and of the application thereto of the provisions of the said Act, the carrying on by the Company of the industry shall be of the same effect as if the Company were engaged in mining on the lands described in Schedule (1) hereto.

5—(1) For the purposes in this section mentioned, the Commissioner of Crown Lands may, from time to time, upon the application of the Company, cause to be issued to it under and subject to the provisions of “The Crown Lands Act, 1911,” as herein modified, a lease of a strip or strips of land not exceeding in each case one chain in width upon and across the foreshore of Emu Bay, opposite the lands described in Schedule (1) or lying to the eastward of the mouth of the Emu River at such point as the Commissioner may approve. Outflow.
2 Geo. V. No. 64.

(2) The Company may construct outflow drains, tunnels, or pipelines from the lands described in Schedule (1) into the sea, or into the Emu River, upon and over or under —

- i. Any land belonging to the Crown :
- ii. Any private land :
- iii. The land comprised in such lease as aforesaid : and
- iv. Any road or railway.

(3) Before proceeding with any such construction, the Company shall submit to the Minister plans and specifications of the proposed work, and shall obtain the Minister's approval thereof.

(4) Every such work shall be completed within twelve months after such approval has been obtained.

(5) The outlet of every such drain, tunnel, or pipe-line shall be below low watermark, and the Company shall discharge all effluent or waste water through the same into the sea or the Emu River.

(6) Every such lease shall be renewed on the application of the Company so long as it carries on the industry on the lands described in Schedule (1).

(7) The provisions of Sections One hundred and thirty to One hundred and thirty-two, inclusive, of “The Mining Act, 1917,” shall apply to the exercise by the Company of the power conferred upon it by Subsection (2) hereof in respect of private lands in the same manner as if the Company were engaged in mining operations. 7 Geo. V. No. 62.

6—(1) Subject to the provisions of this section, the Company shall have the exclusive right to cut and remove wood-pulp timber, to be used for the purpose of, or in connection with, the industry, from any lands which at the time of such cutting or removal are Crown lands within the meaning of this Act. Timber rights.

Wood-pulp and Paper Industry.

A.D. 1924.

7 Geo. V. No. 62.

(2) Nothing in this section shall prejudice or affect the rights conferred by "The Mining Act, 1917," upon persons engaged in mining, or take away from any person the right to cut firewood on any land within five miles from any town.

11 Geo. V. No. 60.

(3) In the exercise of its powers under this section, the Company shall comply with the regulations in force under "The Forestry Act, 1920," with regard to the lighting and extinguishing of fires, the use of steam locomotives and spark arrestors, and the returns of timber cut and removed, and also with any regulation which may be made under the said Act prohibiting or regulating the cutting of blackwood or any indigenous pine trees.

(4) The company shall have full right and liberty to cut and remove from any such lands as aforesaid any timber other than wood-pulp timber.

(5) Before proceeding to cut or remove any wood-pulp timber under the authority conferred by this section, the Company shall give notice to the Conservator of Forests of its intention so to do, and shall indicate in such notice the approximate area within which it is intended to carry on its cutting operations.

(6) The rights conferred by this section shall not empower the Company to cut or remove timber from any land planted or used as a plantation or nursery under the control of the Conservator of Forests, or from that portion of a State forest which has, under the working plan made therefor as hereinafter provided, been set apart for purely local requirements.

(7) Not more than sixty thousand acres of the Crown land as defined in Section Three hereof shall be dedicated as a State forest or State forests.

(8) If at any time any part of the land affected by this section is dedicated as a State forest, the Company shall, in respect of such part, be subject to the provisions of Section Twenty-two of "The Forestry Act, 1920," as herein modified, and to the regulations for the time being in force thereunder.

(9) Before any working plan is prepared under the section last-mentioned in respect of such part as aforesaid, or any new regulation is made affecting the Company's operations thereon, three months' notice shall be given to the Company by the Conservator of Forests of the proposed plan or regulation, as the case may be, and the Company may, within such period of three months, present its objections (if any) thereto to the Minister administering the said Act, who shall thereupon determine whether such plan or regulation shall be made.

11 Geo. V.
No. 60.

(10) The Conservator of Forests may at any time issue timber licences, under the provisions of "The Forestry Act, 1920," in respect of any area of Crown land, as defined in Section Three of this Act, in respect of which the Company has not, at the time of the issuing of such licence, given the notice mentioned in Subsection (5) hereof.

Royalties.

7—(1) The Company shall pay to the Conservator of Forests a royalty at the rate of One Shilling for every cord of wood-pulping timber cut and removed by it under the provisions of Section Six hereof.

Wood-pulp and Paper Industry.

(2) Wherever for any year the audited accounts of the Company show a net profit exceeding Eight Pounds per centum per annum (computed with half-yearly rests on the thirtieth day of June and the thirty-first day of December), upon all capital moneys expended by the Company since its inception, including all losses (if any) incurred in operating the industry, the royalty payable in respect of wood-pulp timber used by the Company during such year shall be increased by Five Pounds per centum for every One Pound or fraction of One Pound per centum by which such profits exceed Eight Pounds per centum, but such royalty shall not in any case exceed Two Shillings and Sixpence per cord. A.D. 1924.

(3) In computing the total amount of such expenditure as aforesaid, the Company may include interest thereon at the rate of Eight Pounds per centum per annum with half-yearly rests on the days aforesaid from the respective dates upon which the expenditure thereof was incurred up to the beginning of the financial year in which the net profits amounted to Eight Pounds per centum, and the Company shall deduct from such total amount all net profits earned by it during such period.

(4) In computing its net profits the Company may include in its deductions from the gross revenue earned in the year for which such computation is made:—

- i. Working expenses :
- ii. All moneys expended in repairs and maintenance :
- iii. Amortisation at the rate of Five Pounds per centum :
- iv. All usual and proper administration and other outlays, charges, and expenses : and
- v. All moneys paid for Federal and State taxes.

(5) The Company shall pay to the Conservator of Forests in respect of all timber, other than wood-pulp timber, cut and removed by it the royalty from time to time payable under "The Forestry Act, 1920," in respect of the same class of timber.

(6) The royalties payable under this section shall be paid at the times and in the manner provided under "The Forestry Act, 1920," for payment of royalties. 11 Geo. V. No. 60.

(7) If at any time any royalty in respect of bark shall be imposed or made payable under the provisions of "The Forestry Act, 1920," such royalties shall be payable by the Company in respect of all bark taken or used by it under the authority of Section Six hereof.

(8) For the purposes of this section a cord shall mean one hundred and twenty-eight cubic feet of timber.

8 The Company shall be entitled to exercise the powers conferred by Sections One hundred and twenty-seven and One hundred and thirty of "The Mining Act, 1917," in the same manner and to the same extent as if the lands described in Schedules (1) and (2) were occupied by it for mining purposes. Easements

Wood-pulp and Paper Industry.

A.D. 1924.

Land tax.

9—(1) For and in respect of the calendar year one thousand nine hundred and twenty-five, and every year thereafter during which the Company shall continue to carry on the industry on the lands described in Schedule (1) hereto, graduated land tax, imposed by and payable to this State in respect of all lands owned, occupied, and used by the Company solely for the purposes of the industry, shall be at the rate of Two Pence for every One Pound sterling of the unimproved capital value thereof and no more.

(2) If the Company shall at any time own any land not occupied and used solely for such purposes as aforesaid, the Company shall pay in respect thereof the land tax at the rate payable by other land-owners and such rates shall be determined by total unimproved capital value of all lands of the Company in this State.

Income tax deduction.

1 Geo. V. No. 47.

10—(1) In the calculation of the income of the Company for the purposes of "The Land and Income Taxation Act, 1910," or any other Act for the time being in force imposing a tax upon incomes, the Company shall be allowed a deduction in respect of so much of its gross income as is set aside or paid as or to a fund to provide benefits, pensions, or retiring allowances for the employees of the Company.

(2) Such deduction as aforesaid shall not be allowed unless the Commissioner of Taxes is satisfied that the fund has been established or the payment made in such a manner that the rights of the employees to receive the benefits, pensions, or retiring allowances have been fully secured.
