DECISION

Public notification of the application attracted an objection but the objection did not relate to any of the matters specified in s.35(1) of the Act as required by s.32(3). We will deal with the application on the papers.

The application is in respect of premises in which the principal business will be that of a grocery store in terms of s.36(1)(d)(ii) of the Act.

We are satisfied as to the matters to which we must have regard as set out in s.35 of the Act, and we grant the applicant an off-licence. A copy of the licence setting out the conditions to which it is subject is attached to this decision.

The licence may issue immediately.

The applicants' attention is drawn to s.48 of the Act obliging the holder of an off-licence to display:-

1. A sign attached to the exterior of the premises, so as to be readily read by persons outside each principal entrance, stating the ordinary hours of business during which the premises will be open for the sale of liquor AND
2. A copy of the licence, and of the conditions of the licence, attached to the interior of the premises so as to be easily read by persons entering through each principal entrance.
