BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:

1. Short Title—This Act may be cited as the Road User Charges Amendment Act 1980, and shall be read together with and deemed part of the Road User Charges Act 1977 (hereinafter referred to as the principal Act).

2. Confirmation of increases in road user charges—As required by section 20 of the principal Act, the Road User Charges (Rates) Order 1980 is hereby confirmed.

3. Confirmation of change in allocation of motor spirits duty—As required by section 188A of the Transport Act 1962 (as inserted by section 28 of the principal Act), the Transport (Allocation of Motor Spirits Duty) Order 1980 is hereby confirmed.

4. Road user charge rates—(1) The principal Act is hereby amended by repealing the Third Schedule (as substituted by section 5 (1) of the Road User Charges Amendment Act 1979), and substituting the Third Schedule set out in the Schedule to this Act.

(2) Section 21 of the principal Act shall not apply in respect of the substitution, by subsection (1) of this section, of a new Third Schedule to the principal Act.

(3) Section 5 (1) of, and the Schedule to, the Road User Charges Amendment Act 1979 are hereby consequentially repealed.

(4) The Road User Charges (Rates) Order 1980 is hereby revoked.

5. Weight of passenger vehicles—Section 2 (3) of the principal Act is hereby amended by inserting, after the words “weight of”, the words “passengers in”.

6. Inquiry and assessment by District Court Judge—The principal Act is hereby amended by inserting, after section 18, the following heading and sections:

“Inquiry and Assessment by District Court Judge

“18A. District Court Judge may hold inquiry on application of Commissioner—(1) A District Court Judge may, on the application of the Commissioner, hold an inquiry into the number and kind of licences that ought to have been obtained under this Act—

“(a) During a period specified in the application (being a period commencing not earlier than 6 years before the date of the application); and

“(b) For motor vehicles specified in the application (being motor vehicles that the Commissioner believes were owned during the whole or any part of the period by a person specified in the application).

“(2) The Commissioner shall not make an application to a District Court Judge for the purposes of subsection (1) of this section unless—

- “(a) The person specified in the application has been convicted of an offence under section 23 of this Act during the period of 12 months immediately preceding the date of the application (whether or not the offence related to a motor vehicle specified in the application); and
- “(b) The Commissioner considers that it is likely that all the appropriate licences that ought to have been obtained during the period, and for the motor vehicles, specified in the application were not so obtained.

“(3) The Commissioner may, in an application to a District Court Judge for the purposes of subsection (1) of this section, specify any convictions relating to offences under section 23 of this Act that have, during the period of 6 years immediately preceding the date of the application, been entered against the person specified in the application.

“18B. **Provisions relating to inquiries**—(1) For the purposes of any inquiry under section 18A of this Act, the District Court Judge may, of his own motion or on application, by written notice served on the person,—

- “(a) Summon before him any person or persons (including, where the inquiry relates to a body corporate, any director or employee of the body) to give evidence; and
- “(b) Require any person to produce for the inspection of the Judge, or of any other person authorised by the Judge for this purpose, any books, papers, accounting records, or other documents, or things, that are relevant to the inquiry.

If any District Court Judge is satisfied that any person who has been summoned under paragraph (a) of this subsection will not attend to give evidence without being compelled to do so, he may issue a warrant (in the same form, with all necessary modifications, as is prescribed for the purposes of section 20 (4) of the Summary Proceedings Act 1957) for the attendance of that person at the inquiry.

- “(2) At any inquiry under section 18A of this Act,—
- “(a) The District Court Judge may examine on oath any person; and for that purpose the Judge or a Registrar of a Court may administer an oath; and
- “(b) The District Court Judge may receive as evidence any statement, document, information, matter, or thing, that in his opinion may assist him to deal effectively

with the subject of the inquiry, whether or not it would ordinarily be admissible as evidence; and

“(c) The Commissioner, and the person specified in the Commissioner’s application under section 18A of this Act, may each be represented by a counsel or agent; and

“(d) The Commissioner and the person specified in the Commissioner’s application, or any counsel or agent representing them, may examine, cross-examine, and re-examine, in accordance with the ordinary practice, any person summoned pursuant to subsection (1) of this section.

“(3) Every inquiry under section 18A of this Act shall take place in chambers and at such time or times as the District Court Judge determines.

“(4) The statement of every person examined under this section shall be taken down in writing, and signed by him in the presence of the District Court Judge, and copies thereof shall be delivered to the Commissioner and to the person specified in the Commissioner’s application. The statement shall not form part of the records of the Court.

“(5) No person examined under this section shall be excused from answering any question on the ground that the answer may incriminate him or render him liable to any penalty.

“(6) No statement made by any person in answer to any question put to him in examination under this section, or document or thing produced pursuant to a requirement under this section, shall in criminal proceedings be admissible in evidence against him, except upon a charge of perjury against him in respect of his testimony upon that examination.

“(7) A District Court Judge may, for the purpose of assisting him in the exercise of his powers under section 18c of this Act, appoint any Registrar of a Court, chartered accountant, or other person or persons to inspect documents and things produced pursuant to a requirement under subsection (1) (b) of this section and consider statements made during the inquiry, and to report to him thereon.

“(8) A District Court Judge may order that any costs (or such part thereof as is specified by the Judge) incurred by—

“(a) The Commissioner; or

“(b) The person specified in the Commissioner’s application; or

“(c) Any person summoned, or required to produce a document or thing, under this section,—
in respect of an inquiry to which this section relates, shall be paid by the Commissioner or the person specified in the Commissioner’s application, or both (in proportions specified by the Judge); and in any such case the costs so awarded shall be recoverable as a debt due by the person against whom they have been awarded to the person in whose favour they have been awarded.

“18c. District Court Judge may make assessment—
(1) Where, after holding an inquiry under section 18A of this Act and considering any reports obtained pursuant to section 18B (7) of this Act, a District Court Judge considers, on the balance of probabilities, that all the appropriate licences that ought to have been obtained for the motor vehicles specified in the Commissioner’s application during the period, and while they were owned by the person, so specified were not obtained, he may make an assessment of the amount of road user charges that in his opinion ought to have been, but were not, paid to the Crown in respect of those motor vehicles while they were owned by that person during that period.

“(2) In giving reasons for an assessment under this section a District Court Judge need not indicate how the assessment is calculated or what licences he considers ought to have been obtained.

“(3) Every assessment made by a District Court Judge under this section shall be delivered by him in open Court.

“(4) A District Court Judge may, when delivering an assessment, state the date from which the amount of the assessment shall be payable to the Commissioner pursuant to subsection (5) of this section, which date may be earlier than the date the assessment is so delivered.

“(5) Where a District Court Judge makes an assessment under this section, the amount of the assessment shall, from the date the Judge delivers his assessment (or such other date, if any, as the Judge specifies pursuant to subsection (4) of this section), be payable to the Commissioner by the person specified in the Commissioner’s application under section 18A of this Act; and, until paid in full to the Commissioner, the amount shall constitute a debt due to the Crown by the person and may be recovered accordingly in any Court of competent jurisdiction.”

7. Amendments consequential upon section 6—(1) Section 21A (1) of the principal Act (as inserted by section 9 of the Road User Charges Amendment Act 1979) is hereby amended by inserting, after the words “administration fee,”, the words “assessment under section 18c of this Act,”.

(2) Section 22 (2) of the principal Act (as substituted by section 10 of the Road User Charges Amendment Act 1979) is hereby amended by inserting, after the words “section 21A of this Act,”, the words “assessments under section 18c of this Act,”.

8. Offences—Section 23 of the principal Act is hereby amended by repealing subsections (3) and (4), and substituting the following subsections:

“(3) It shall be a defence in proceedings for an offence of operating a motor vehicle on a road without the appropriate distance licence or supplementary licence if the defendant proves that—

“(a) It was not possible to obtain the licence at any time during the period between the time when the need for the licence was reasonably foreseeable by the defendant or any employee or agent thereof, and the time when the alleged offence was committed; and

“(b) An appropriate licence covering the distance for which the motor vehicle was on a road in contravention of this Act was obtained for the motor vehicle forthwith after the commission of the alleged offence.

“(4) It shall be a defence in proceedings for an offence of operating a motor vehicle on a road without a proper working distance recorder if the defendant proves that—

“(a) A distance recorder was fitted to the motor vehicle at the time; and

“(b) It was not possible to obtain and fit a properly working distance recorder to the motor vehicle, or to repair the distance recorder fitted to the motor vehicle, during the period between the time of the damage to or malfunction of the distance recorder fitted to the motor vehicle and the time when the alleged offence was committed; and

“(c) A properly working distance recorder was fitted to the motor vehicle, or the distance recorder fitted to the motor vehicle was repaired, forthwith after the commission of the alleged offence.

“(4A) Every person—

“(a) Who is summoned under section 18B of this Act and who fails or refuses to appear before the Judge at the time specified by the Judge, or to take oath as a witness before the Judge; or

“(b) Who is sworn as a witness at an inquiry held under section 18A of this Act and who fails or refuses to answer any question put to him regarding the subject of the inquiry; or

“(c) Who fails or refuses to produce any document or thing for the inspection of the Judge, or of any person authorised by the Judge for this purpose, when required to do so pursuant to section 18B (1) (b) of this Act—

commits an offence against this Act, and is liable on summary conviction to a fine not exceeding \$1000:

“Provided that no person shall be convicted of an offence against paragraph (a) of this subsection unless, at the time of the service of the summons or at some other reasonable time before the date on which that person was required to attend, there was paid or tendered to that person a sum sufficient to provide for his reasonable travel expenses in attending the inquiry.”
