5 BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Supply Regulations Act, 1947. Short Title.

10 2. In this Act, unless the context otherwise requires, the expression "supply regulations" means regulations made under this Act; and includes the regulations referred to in section four of this Act. Interpretation.

15 3. (1) The Governor-General may from time to time, by Order in Council, make such regulations (in this Act referred to as supply regulations) as appear Supply regulations.

(2) Supply regulations may empower or provide for empowering such authorities, persons, or classes of persons as may be specified in the regulations to make orders, rules, or by-laws for any of the purposes for which supply regulations are authorized by this Act to be made, and may contain such incidental and supplementary provisions as appear to the Governor-General in Council to be necessary or expedient for the purposes of the regulations. 10

(3) Any supply regulations, and any order, rule, or by-law duly made in pursuance of supply regulations, shall have effect, notwithstanding anything inconsistent therewith contained in any enactment other than this Act or in any instrument having effect by virtue of any enactment other than this Act. 15 20

(4) All regulations made under this Act shall be laid before Parliament within twenty-eight days after the making thereof if Parliament is then in session, and, if not, shall be laid before Parliament within twenty-eight days after the commencement of the next ensuing session. 25

Certain emergency regulations to continue in force as supply regulations. 1939, No. 8

4. The regulations specified in the Schedule to this Act (being emergency regulations within the meaning of the Emergency Regulations Act, 1939) shall continue in force as if they had been made under this Act. 30

Validation of acts done in anticipation of supply regulations.

5. Where any acts have been done before the commencement of any supply regulations and by virtue of those regulations the acts would have been valid and lawful if the regulations had been in force when they were done, the acts shall be deemed to have been validly and lawfully done under the authority of the regulations. 35

Protection of persons acting under authority of this Act or of supply regulations.

6. Except as otherwise expressly provided in supply regulations, no action, claim, or demand whatsoever shall lie or be made or allowed by or in favour of any person against the Crown, or any Minister of the Crown, or any officer or person acting 40

in the execution or intended execution of this Act or of any supply regulations for or in respect of any damage, loss, or injury sustained or alleged to have been sustained by reason of anything done or purport-

25 is so provided, shall be liable on summary conviction to imprisonment for a term not exceeding *twelve* months or to a fine not exceeding *one hundred* pounds.

(2) Nothing in this Act or in any supply regulations shall be so construed or shall so operate  
30 as to take away or restrict the liability of any person for any offence punishable independently of this Act, but no person shall be punished twice for the same offence.

9. (1) This Act shall continue in force until the
