EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations are made pursuant to the Animal Remedies Act 1967, and amend the Animal Remedies Regulations 1980.

Regulation 1 relates to the Title and commencement.

Regulation 2 amends the Second Schedule to the principal regulations. Regulation 36 (1) (b) of those regulations provides that no prescription poison or biochemical substance specified in that Schedule may be supplied or used otherwise than on the type of animal, within the maximum dosage, during the period, for the purpose, and subject to the limitations specified in that Schedule.

This regulation alters some of those matters in relation to the supply or use of Tiamulin hydrogen fumarate and Virginiamycin.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 4 June 1981.

These regulations are administered in the Ministry of Agriculture and Fisheries.
