THE MILK PRICE ORDER 1967

BERNARD FERGUSON, Governor-General
ORDER IN COUNCIL

At the Government House at Wellington this 31st day of May 1967

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to section 18 of the Milk Amendment Act 1951, His Excellency the Governor-General, in accordance with recommendations made by the New Zealand Milk Board to the Minister of Agriculture, and acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. (1) This order may be cited as the Milk Price Order 1967.
- (2) This order shall come into force on the 10th day of July 1967.
2. In this order, unless the context otherwise requires,—
 - “Board” means the New Zealand Milk Board:
 - “Commercial user” means any person who buys milk for sale for consumption on premises occupied by him (whether in the form in which it is received by him or otherwise and whether separately or in combination with any other substance or substances):
 - “Consumer” means any person who buys milk for any purpose other than resale:
 - “Gallon”, and every other measure of capacity, means the appropriate measure of capacity specified under the Weights and Measures Act 1925:
 - “Milk” has the same meaning as in the Milk Act 1944; but does not include cream or goat’s milk:
 - “Shop dairy” means any shop where milk is sold for consumption or use off the premises, and where the milk so sold is sold in the form in which it was received into the shop.
3. This order applies to all milk sold anywhere in New Zealand to shop dairies, commercial users, or consumers.

4. (1) Subject to the provisions of this order, the price to be charged for milk to which this order applies shall be as follows:

- (a) When sold to a shop dairy, the price shall be the appropriate price fixed in the Schedule hereto for milk sold to a shop dairy for resale:
- (b) When sold to a commercial user or consumer by any person other than the occupier of a shop dairy, the price shall be the appropriate price fixed in the Schedule hereto for milk sold to a commercial user or consumer:
- (c) When sold by the occupier of a shop dairy to a commercial user or consumer, the price shall be the appropriate price fixed in the Schedule hereto for milk sold to a commercial user or consumer.

(2) Where milk is sold in circumstances to which paragraph (a) or paragraph (b) of subclause (1) of this clause applies, the price fixed by that subclause shall include the cost of delivery to the premises of the purchaser.

(3) Where milk is sold in circumstances to which paragraph (c) of subclause (1) of this clause applies, the price fixed by that subclause shall apply only in respect of delivery at the premises of the vendor.

5. (1) If the price computed in accordance with this order for milk sold for cash or on credit is not an exact number of cents, the price may be computed to the next upward cent.

(2) Where an account is rendered to any purchaser for milk sold during any period comprising more than one day, the total sum shall be computed with respect to the total quantity of milk purchased for the period at the appropriate price fixed in the Schedule hereto, and, where the total sum so computed is not an exact number of cents, it may be computed to the next upward cent.

6. (1) Notwithstanding anything to the contrary in this order, the Board may from time to time—

- (a) Authorise the charging of special prices, whether in addition to or in substitution for the prices provided for by this order, where the Board is satisfied that special circumstances justify the charging of such prices, and fix the amounts of such special prices:
- (b) Prescribe terms and conditions upon and subject to which such special prices may be charged.

(2) Any authority given under this clause by the Board may apply with respect to any delivery or deliveries of milk specified in that behalf by the Board or may, where the Board so determines, relate generally to all deliveries of milk effected while the authority remains in force.

(3) Notice of every special price that may be charged, and of the terms and conditions upon and subject to which the price may be so charged, shall be given to every person concerned or shall be published in a newspaper circulating in the area where the special circumstances apply, and, where any such notice has been given, this order shall be read and have effect subject to the provisions of the notice in so far as the order affects any person to whom the notice has been given.

7. The Milk Price Order 1962* is hereby revoked.
