### Explanatory note

*This note is not part of the order, but is intended to indicate its general effect.*

This order amends the COVID-19 Public Health Response (Vaccinations) Order 2021 (the **principal order**), which requires persons belonging to specified groups who carry out certain work to be vaccinated. *Clauses 9 and 10* of this order come into force at 11.59 pm on 29 November 2021, and the rest of this order comes into force at 11.59 pm on 1 December 2021.

Clause 9 of the principal order is amended to distinguish the relevant chief executives owing to the recent inclusion of a more general definition of chief executive in the COVID-19 Public Health Response Act 2020.

Clause 9A of the principal order is amended to allow the Director-General of Health to take a wider range of vaccines into account when authorising affected persons who are not fully vaccinated to carry out certain work.

Clauses 10, 11A, and 12 of the principal order are amended to require the relevant PCBU to use the record-keeping provisions in clause 10 of the principal order and to comply with the register duties in clause 12 of the principal order in respect of an affected person who belongs to a group specified in item 8.1 of Part 8 of the table in Schedule 2 of the principal order.

Clause 9 of Schedule 1 of the principal order is amended to extend the period for which Police employees working in the health services are treated as vaccinated (until 17 January 2022 if they receive their first dose of a COVID-19 vaccine on or before that date, and until 1 March 2022 if they receive their first dose of a COVID-19 vaccine on or before 17 January 2022 and their second dose of a COVID-19 vaccine on or before 1 March 2022).

Schedule 1 of the principal order is also amended to include a transitional provision for certain affected workers who are unvaccinated and a transitional provision for

PCBUs who employ or engage affected persons who belong to the group specified in item 8.1 of Part 8 of Schedule 2.

Schedule 3 of the principal order is replaced with *new Schedule 3*, which sets out an expanded range of vaccines, or combinations of vaccines, that an affected person may receive (in accordance with the specific requirements) in order to be recognised as vaccinated.

*Approval by resolution required*

This order must be approved by a resolution of the House of Representatives before the expiry of the period described in section 16(2) of the COVID-19 Public Health Response Act 2020. If that does not happen, the order is revoked on the expiry of that period.

Issued under the authority of the Legislation Act 2019.  
Date of notification in *Gazette*: 29 November 2021.  
This order is administered by the Ministry of Health.

## Notes

### **1** *General*

This is a consolidation of the COVID-19 Public Health Response (Vaccinations) Amendment Order (No 5) 2021 that incorporates the amendments made to the legislation so that it shows the law as at its stated date.

### **2** *Legal status*

A consolidation is taken to correctly state, as at its stated date, the law enacted or made by the legislation consolidated and by the amendments. This presumption applies unless the contrary is shown.

Section 78 of the Legislation Act 2019 provides that this consolidation, published as an electronic version, is an official version. A printed version of legislation that is produced directly from this official electronic version is also an official version.

### **3** *Editorial and format changes*

The Parliamentary Counsel Office makes editorial and format changes to consolidations using the powers under subpart 2 of Part 3 of the Legislation Act 2019. See also PCO editorial conventions for consolidations.
