Levy imposed

4 Levy imposed

(1) A levy is imposed on maize seed sold for sowing.

(2) The levy is payable to FAR.

*Payment of levy***5 Growers primarily responsible for paying levy**

Growers are primarily responsible for paying the levy.

6 Exemption from levy

- (1) This clause applies to a grower if, in any levy year,—
 - (a) a maize crop sown in that levy year fails to establish and the grower sows a crop of maize in the same levy year to replace the failed crop; or
 - (b) a maize crop cannot be harvested or fed to stock as a standing crop as a result of a natural disaster.
- (2) If subclause (1) applies, the grower is exempt from paying the levy on maize seed used to sow a replacement crop.
- (3) However, if the grower has already paid the levy in relation to a maize crop described in subclause (1), FAR must refund the amount of the levy paid.

7 Collection agent must pay levy and recover it from growers

- (1) A collection agent who sells maize seed to a grower for sowing must pay the levy (including any GST payable on it).
- (2) The collection agent may recover the levy (including any GST payable on it) from the grower by invoicing the grower for the levy at the same time as the collection agent invoices the grower for the maize seed.
- (3) The collection agent may charge a collection fee of not more than 5% of the amount of levy collected (excluding GST) plus the GST payable on the fee by deducting the amount before paying the levy to FAR.

8 When levy payable

- (1) Levies must be paid monthly.
- (2) The due date for payment of an amount of levy on any quantity of maize seed is the date on which the grower pays for the maize seed or the date on which payment of the invoice for the maize seed is due (whichever is earlier).
- (3) The latest date for payment of the levy is the 21st day of the month following the due date for payment.

9 Combined levy payments

- (1) Despite clause 8, if an amount of levy payable for any month is less than \$2,000 plus GST, payment of that amount may be made with levy payments for 1 or more subsequent months of a relevant quarter (**combined levy**).
- (2) The latest date for payment of a combined levy described in the first column of the following table is the date specified opposite that combined levy in the second column of the table:

Combined levy

Combined levy comprising payments for the first and second months of a relevant quarter and that is \$2,000 or more plus GST

Combined levy comprising payments for the first and second months of a relevant quarter and that is less than \$2,000 plus GST

Combined levy comprising payments for the second and third months of a relevant quarter

Combined levy comprising payments for the first, second, and third months of a relevant quarter (regardless of the amount)

Latest date for payment

21st day of the third month of the relevant quarter

21st day of the month following the close of the relevant quarter

21st day of the month following the close of the relevant quarter

21st day of the month following the close of the relevant quarter

- (3) To avoid doubt, the latest date for payment of a levy relating to the third month of a relevant quarter (regardless of the amount and whether it is part of a combined levy) is the 21st day of the month following the close of the relevant quarter.
- (4) In this clause, **relevant quarter** means (as applicable) the following periods:
- (a) 1 July to 30 September:
 - (b) 1 October to 31 December:
 - (c) 1 January to 31 March:
 - (d) 1 April to 30 June.

10 Penalty for late payment

If any amount of levy has not been paid by the close of the latest date for payment, 5% of the amount of the unpaid levy (excluding additional levies owing under this clause) must be paid to FAR in addition to the amount otherwise payable.

Rate of levy

11 Levy calculation

The levy payable in a levy year is to be calculated on the basis of the number of maize seeds a grower buys from a collection agent in the levy year.

12 Maximum rate of levy

The maximum rate of the levy is \$1.40 per 10 000 seeds (excluding GST) purchased by a grower.

13 Fixing of levy rate

- (1) For the first levy year, the levy on maize is \$0.90 per 10 000 seeds (excluding GST) bought by a grower.
- (2) For each later levy year, FAR must fix the levy rate or rates before the start of the levy year in accordance with its decision-making rules.
- (3) If FAR does not fix the levy rate before the start of a levy year, the levy rate for that year is the rate most recently fixed under this clause.

14 Information to be supplied to FAR

Every grower and collection agent must supply to FAR any information that FAR requests in writing for the purpose of calculating the levy.

15 Notification of levy rate

As soon as practicable after fixing a levy rate for a levy year, FAR must notify the rate—

- (a) in its newsletter to growers and collection agents; and
- (b) in the *Gazette*; and
- (c) on its Internet site.

*Expenditure of levy money***16 Levy money to be spent by FAR**

FAR must—

- (a) spend all the levy money paid to it; and
- (b) invest all levy money until it is spent.

17 Purposes for which levy money may be spent

- (1) FAR may spend levy money for all or any of the following purposes relating to maize:
 - (a) research and development:
 - (b) education and training:
 - (c) collection, collation, and publication of information:
 - (d) day-to-day administration of FAR.
- (2) FAR must not spend levy money on commercial or trading activities.

18 Consultation on spending levy money

- (1) FAR must consult growers on how it proposes to spend levy money.
- (2) FAR may use the following methods to consult growers:
 - (a) discussions with local arable research groups and grower research committees:

- (b) annual meetings, seminars, and field days.

- (c) with the consent of every identifiable person to whom it relates; or
