## Environment Canterbury (Transitional Governance Arrangements) Bill

### *Proposed amendments*

Hon Dr Nick Smith, in Committee, to move the following amendments:

#### *Clause 4A*

In *clause 4A*, replace “**Schedule 1**” (page 6, line 8) with “**Schedules 1 and 2**”.

#### *Clause 19*

Delete *clause 19(1)(a)(iii)* (page 12, lines 8 and 9).

In *clause 19(1)(b)(ii)*, delete “; and” (page 12, line 16).

Delete *clause 19(1)(b)(iii)* (page 12, lines 17 and 18).

#### *Schedule 2*

In the *Schedule 2* heading, before “**Schedule 1 cl 5**” (page 22, line 4), insert “**s 4A,**”.

### **Explanatory note**

This Supplementary Order Paper changes *clause 19* of the Environment Canterbury (Transitional Governance Arrangements) Bill. Tests in *clause 19* determine whether *Part 3* of the Bill applies to a proposed planning document.

The change is to remove the third test in *clause 19*. That third test was that the proposed planning document be consistent with the vision and principles of the Canterbury Water Management Strategy. (*Clause 23*, which is unchanged by this Supplementary Order Paper, still requires those making decisions about a proposed planning document to have particular regard to the vision and principles of the Canterbury Water Management Strategy.)

**Proposed amendments to  
Environment Canterbury (Transitional Governance  
Arrangements) Bill**

---

This Supplementary Order Paper also makes a small technical change to insert a cross-reference to *Schedule 2* into *clause 4A*. There is a related adjustment to the shoulder reference in *Schedule 2*.

**Departmental disclosure statement**

The Ministry for the Environment is required to prepare a disclosure statement to assist with the scrutiny of this Supplementary Order Paper. The disclosure statement provides access to information about any material policy changes to the Bill and identifies any new significant or unusual legislative features of the Bill as amended.
