**Land Transport Management Amendment Bill**

---

*Proposed amendment*

Iain Lees-Galloway, in Committee, to move the following amendment:

*Clause 69*

In *clause 69*, replace *new section 154* (lines 13 to 20 on page 73) with:

**“154 Transitional provision for existing contracted public transport services**

- “(1) A public transport service provided under contract to the regional council before the commencement of this section may continue to be provided by that operator under that contract, until the expiry of that contract.
- “(2) A regional council may contract for public transport services in accordance with the regional public transport plan, made under the Public Transport Management Act 2008, until the regional council has adopted a regional public transport plan under **subpart 1 of Part 5** of this Act. Any such contract ends at the earlier of the following:
- “(a) the date of expiry of the contract:
- “(b) 30 June 2017.
- “(3) If a public transport service operating as if it were a registered exempt service under **section 151(2)** ceases to operate in a region, the regional council may contract for the provision of that service to operate, with or without modification, until no later than 30 June 2017.
-

### **Explanatory note**

This Supplementary Order Paper amends *new section 154* to provide regional councils with more flexibility to implement regional public transport plans as efficiently as possible, and give transport service providers more certainty.
