Hon Carmel Sepuloni, in Committee, to move the following amendments:

In *clause 8(1)*, after the definition of **premises** (page 13), insert:

Clause 9

Replace *clause 9* (page 14) with:

9 Meaning of Oranga Tamariki system

- (1) In this Act, unless the context otherwise requires, **Oranga Tamariki system** means the system that is responsible for providing services or support to children, young people, and their families and whānau under, or in connection with, the Oranga Tamariki Act 1989.

- (2) For the purposes of this Act, the Oranga Tamariki system—
- (a) applies to the delivery of services or support by agencies or their contracted partners within the system; and
 - (b) includes (without limitation) the delivery of health, education, disability, and other services by those agencies or contracted partners within the system.

Explanatory note

This Supplementary Order Paper amends SOP 209 to—

- clarify that references to services or support, in relation to the Oranga Tamariki system, include (unless the context otherwise requires) responding under the Oranga Tamariki Act 1989 to offending (or alleged offending) by children and young people rather than it being a separate part of the system;
- clarify that the terms child and young person used in *Parts 1 to 4* of the Bill have the same meaning as in section 2(1) of the Oranga Tamariki Act 1989.
