MEMORANDUM

This collective agreement incorporates the terms of voluntary settlement arrived at by the parties and forwarded to the Court for registration pursuant to section 65 of the Industrial Relations Act 1973.

The delay in registration of this document has been brought about by the tardiness of the parties in amending technical defects within the document and supplying information in regard to provisions of the Wage Freeze Regulations 1982.

Having regard to prevailing circumstances the Court has, pursuant to section 92(2) of the Industrial Relations Act 1973, consented to the specified period for which this collective agreement is to continue in force being less than one year from the date of registration.

The Court has registered the instrument after being satisfied that a complete settlement was arrived at by the parties before the commencement of the Wage Freeze Regulations 1982.
